All Together School Silver Award

We are absolutely delighted to announce that our school has been awarded the Silver Status for All Together Anti-Bullying programme. This is a fantastic achievement, we can all be proud of.

This re-affirms our school commitment to achieve our vision in which everyone agrees that bullying is unacceptable and create a safe environment in which children can grow, flourish and learn.

I would like to take this opportunity to thank Miss. Hodgeon for leading this important project for all our children and our team.

New School Website

<http://hazlewoodprimary.co.uk/>

We are very proud to announce the launch of our 'new modern look' website here at Hazlewood Community Primary school.

Our aim is to use this website to communicate more effectively with families and our wider community. You will, in time, be able to see a range of information from termly topics including photographs and information leaflets for every class, through to term dates and useful websites for our children's learning.

We are hoping to make this experience as interactive as possible for all users and we have introduced a link to a contact form so that you may offer your thoughts, suggestions and comments as well as ask questions.

We look forward to watching it grow and hope that you find it useful and enjoy browsing through it.
