Dear Parents, Carers,

I am writing with an update regarding the planned school events at our school.

Following the government advice to extend the COVID-19 restriction until 19th July 2021, we have taken the unfortunate decision to cancel our plans to invite our parents & carers to the following events.

We are extremely disappointed to have to do this. However, as outlined below, we are delighted to still be able to safely enjoy the Sports Festival and the Carnival/Golf Celebration with our children. This will be well deserved, great fun for all and a fabulous way to end our school year.

Thursday 1st July 2021: Sports Festival

This event will still go ahead for all children at our school. The event will be planned carefully which will allow each bubble group to take part in various sporting activities. Photographs/ videos will be sent via Seesaw.

Wednesday 7th July 2021: Carnival/ Golf celebration

This event will still go ahead for all children at our school. Photographs/ videos will be sent via Seesaw.

Wednesday 14th July 2021: Summer Fair

The planned Summer Fair is now postponed until September 2021. We are currently planning a 'welcome back' party for our children, parents and team on Friday 10th September 2021. Allowing all of our school family to finally be together once again.

I am sure that you will all agree that under the current restrictions, it would be impossible to organise these events safely and in accordance to the current COVID-19 legislation.

Please find attached a letter from Dianne Buckle, Assistant Director Education & Wendy Burke, Director of Public Health with further information regarding school events.

I would like to sincerely thank you for your support and understanding.

Best regards

Stephane Bommel
Headteacher
