## Summer Newsletter

Dear Parents, Carers,

I would like to sincerely thank you for your wonderful support this Academic Year. There is no doubt that the past 18 months have been the most challenging for all of us. I am extremely proud and grateful of our children, my team and all of you for dealing with the challenges of the COVID-19 pandemic. By working together, we ensured that our children, staff and families stayed safe and cared for while making our children's experiences as normal as possible. We can never underestimate the power of teamwork in ensuring that our school stayed open for our children and for our children to continue their learning journey in a fun and caring way.

On behalf of our wonderful Hazlewood Team, I am wishing you all a wonderful and well-deserved summer

### Good Bye and Thank you

## Golf Course & Sphero Curriculum Project

I am delighted to inform you that our Hazlewood Sphero Golf courses are now completed. The children and our team have worked endlessly towards completing this exciting project in time despite the challenges COVID-19 has caused during the summer term. This was an exciting themed cross-curriculum project involving all children from Nursery to Year 6. Thank you ever so much for your sponsorship and generosity. This project was a huge success thank to your fantastic donations.

We are planning a 'grand opening' of the golf course in early September 2021.

I would like to take this opportunity to sincerely thank Mrs Underwood for leading this whole school project. Huge thank you to Mr Grey for building each golf hole with pride. Thank you to all the staff for supporting this project and for delivering a rich and exciting curriculum for our children.

The children are absolutely loving  playing on the golf courses and we hope to be able to invite you all soon
