Congratulations to all the children and our Hazlewood team for all the wonderful Christmas performances. The children were truly wonderful and we can all be very proud of them all.

It is absolutely fantastic to see the confidence in our children and the smiles on their faces. I would like to sincerely thank my wonderful team for making magic happen at our school. The team has shown a fantastic teamwork and determination to make Christmas as normal as we possibly could for our children and families.

"The Christmas story is dear and familiar to us all—shepherds and angels, Wise Men and King Herod, Mary and Joseph, and, at the heart of it all, a Child.

This Child was born into poverty in a city too crowded to offer Him shelter.

But through a life of humility and the ultimate sacrifice, a life guided by faith and kindness towards others, Jesus assumed a mighty voice, teaching us lessons of compassion and charity that have lasted more than two thousand years.

Christmas time reminds each of us that we should learn to care for each other.

These values are important in our lives; and at our school we want our youngest generation to grow up knowing the significance of this tradition.

No matter who we are, we can all make a huge difference in our world.

For me the best of all gifts around any Christmas tree: to be with my family wrapped up in each other.

Our children are the most important gift of all. We are all very proud of you all!

On behalf of all our team, our governors, I would like to take this opportunity to wishing you all a Merry Christmas and a fantastic New Year 2022.

Let's make 2022 the best year yet at our school!
