### **Sports Premium at Hazlewood Community Primary School**

Schools are provided with 2 instalments of funding each academic year to encourage children to get fit and healthy as well as raise the profile of P.E. in schools. It is a statutory requirement that schools publish how much PE and Sport premium funding they receive as well as a breakdown of how the funds were/intend to be spent and the impact that the funding has had.

We use the funding we receive to focus on the five key indicators as outlined by the Government and provide additional opportunities for our children to enable them to achieve well in these focus areas:

- Key indicator 1: The engagement of all pupils in regular physical activity
- Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement
- Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Key indicator 4: Broader experience of a range of sports and activities offered to all pupils
- Key indicator 5: Increased participation in competitive sport
