Through nurturing and trust, we can open the door to exciting new adventures, challenges and experiences to spark dreams for every child.'

Message from all Staff and Governors of Hazlewood Community Primary School

At Hazlewood Community Primary School, we believe that positive behaviour is an essential condition for effective learning and teaching. We also believe that pupils and staff have the right to learn and teach in an environment which is safe, friendly, peaceful and fair.

The school community has defined a very clear set of non-negotiable standards of personal behaviour, which are based on respect for each individual in our community and their individual needs. Our community places self-discipline and a real sense of justice at the core in our determination to provide opportunities where each individual can flourish and develop in safety. Positive behaviour must be carefully developed and supported. Appropriate high self-esteem promotes good behaviour, effective learning and positive relationships. Put simply, we believe pupils learn best when they feel safe and happy in school.

The best results in terms of promoting positive behaviour arise from emphasising potential, rewarding success and giving praise for effort and achievement. We also know it is important to strike a balance between recognising positive behaviour and having appropriate consequences which are seen by all to be fair and just and applied consistently when standards are not maintained. Through the example which adults who care for them in school and through well-developed planned and stimulating learning opportunities, we believe that children can accept learning challenges and develop self-discipline. It is the responsibility of parents and carers to work with the school in helping to foster positive attitudes and behaviour.

At Hazlewood Community Primary School, we expect:

Respect
Support
Consideration

To achieve these we will:

Be friendly and polite
Call people by their preferred name
Move around the building quietly, please walk
Follow directions from staff straight away

Rewards

We at Hazlewood Community Primary School not only promote and teach positive behaviour and attitudes with our children, we also greatly value and reward them. The emphasis of this policy is on the positive and consistent reward of positive behaviour and attitudes. As already stated we believe our pupils learn best when they are happy in school.

All members of staff will recognise and celebrate positive behaviour and attitudes at all times around the school through informal praise. Wherever appropriate, children's best efforts will be celebrated through display and performance.

Each teacher will have their own system of class rewards.

Attendance Rewards

Termly 100% attendance certificates will be given as a reward for excellent attendance at a special assembly. Certificates at the end of the school year for 100% attendance will be presented to the children.

SANCTIONS & CONSEQUENCES

Although the emphasis of this policy is on encouraging and rewarding positive behaviours and attitudes, we at Hazlewood Community Primary School recognise that it may be necessary to employ a number of sanctions to enforce our Code of Conduct and Classroom Rules to ensure a safe learning environment. As with matters relating to reward, consistency and fairness are vital in the application of sanctions which should be appropriate to each inappropriate behaviour.

When dealing with all forms of inappropriate behaviour, staff should employ the following strategies;

- Be calm- all children must be dealt with in a calm yet firm manner, referring to which behaviour is not acceptable and the action being taken.
- Make clear that it is the behaviour which is being punished and this is not a personal matter.
- Logical consequences- a logical consequence is a sanction that is proportional to and fits the misdemeanor. The first step is to stop the behaviour and the second step is to provide an action that recalls the rules, reinstates the limits and teaches alternative behaviours.
- Make good choices- remind the pupil they need to make good choices.
- Fresh start- although persistent or serious misbehaviour needs recording, every child must feel that everyday is a fresh start.
- Staff to log the behaviour incident using the behaviour log template (See Appendix 2)

The whole school follows the Behaviour 5 Points Scale (See Appendix 1). This behaviour scale approach provides a consistent approach across all key stages.

We believe that children respond well if our expectations are made clear to them and at a level which they understand with a strong emphasis on pupil choice. We aim to be transparent with our rewards and consequences, therefore, with this in mind we have adopted in each year group a behaviour 5 Points Scale. The scale focuses on no more than 5 rules and clearly states the sanctions. If a pupil chooses to break the rules the consequences are also clearly stated.

For the behaviour 5 points scale to be effective all members of staff must follow the protocols outlined. The Classroom Management Plan aims to illicit a professional, thinking response from the adults in charge.

As a school we will;

- Teach the rules just as we would teach any curriculum area
- Emphasise the aspect of pupil choice in engaging in appropriate behaviours
- Share information with parents and carers with regards to the Classroom Management Plan
- Clarify with all stakeholders any areas of concern

The Headteacher will seek support of the Local Authority's Learning and Behaviour team to support children with behaviour issues. In most cases, this will be to find strategies to promote positive behaviour and avoid exclusion but in some cases it will be in response to a particular incident.

If a child appears likely to continue with behaviours that will lead to fixed term exclusions, the school will meet the Local Authority's Fair Access Panel for advice. In the first instance the panel could offer advice and/or support.

Fixed term exclusions must not exceed 45 days in a school year for a pupil.

The Headteacher must arrange a reintegration interview following any fixed term exclusion.

A permanent exclusion should only take place when the school has exhausted all other strategies.

Pupils whose behaviour is repeatedly disruptive at lunchtimes may be excluded from school for the lunchtime period.

All exclusions made are formal, all informal or unofficial exclusions are illegal.

SEN

Pupils who have Special Educational Needs that affect their behaviour will have strategies to use and targets to achieve set in their individual provision map.

Therefore, they may be treated differently in the consequences they receive as to pupils who do not have special needs with regard to behaviour.

Teaching Responsible Behaviour

Just as the children need to be taught about the curriculum in order to learn and understand, so they need to be taught how to behave responsibly if they are to do so.

At Hazlewood Community Primary School, children will be specifically taught responsible, appropriate behaviour.

Children with persistently challenging behaviour

Some children with more specific behaviour needs may have a Personalised Behaviour Plan in place with individual targets and strategies. These may include:

- Home/school liaison book
- Daily sticker chart
- Specific mentoring sessions

Very challenging behaviour may result in fixed-term exclusion at the Head Teacher's discretion.

Discriminatory Behaviour

Any racist, sexist or discriminatory behaviour is regarded as unacceptable and is logged separately and reported termly to the LA.

The school specifically teaches the importance of valuing and respecting each other.

Children are taught that all forms of discrimination are wrong.

The Behaviour Plan is in line with the school's Equalities Scheme and Policy.

Behaviour issues are monitored in terms of equalities.

Anti-bullying

The school does not tolerate any kind of bullying. Incidents of reported bullying will be investigated.

Paper copies are always available and it is also published on the school website.

The school will continue to educate pupils about anti-bullying strategies during anti-bullying week and the PSHE curriculum.

Any pupil caught bullying will face severe consequences.

The Department of Education defines bullying as:

"Deliberately hurtful behaviour, repeated over a period of time, where it is difficult for the victim to defend him/herself." 'Pastoral Care in Schools: Promoting Positive Behaviour' (2001)

"Behaviour by an individual or group usually repeated over time, that intentionally hurts another individual or group either physically or emotionally".

(DfE "Preventing and Tackling Bullying" 2014)

Extended Services including after school clubs

School staff, parents and external providers will run after-school clubs at the school. School staff will run their clubs in line with this policy.

External providers will have the expectations for behaviour shared with them when arrangements for the club to commence are made. The providers will maintain discipline at their club. If there are concerns over this, parents will raise the issue with providers in the first instance. If they continue to have concerns they should contact the Headteacher.

If there is a concern over safety at a club, the headteacher should be contacted in the first instance.

If external providers request that pupils do not participate in clubs on grounds of poor behaviour that contravenes the school rules, the headteacher will consider giving a warning or if necessary, ceasing the child's participation.

To participate in teams that represent the school, pupils will be expected to behave well in school. Representing the school may be a privilege that is removed if children do not behave in school.

Activities off-site

Pupils are expected to follow school rules in activities off site.

Staffing ratios should always ensure there is enough staffing available so that behaviour can be managed effectively.

Inappropriate behaviour, particularly refusing to follow instructions or putting themselves or others in danger could result in the activity being cut short for the pupil and the parent, or carer, will be called to collect them.

Inappropriate behaviour which prevents effective planning of provision for a child on an offsite activity may mean the pupil cannot participate.

E-safety and Behaviour on the internet

Pupils are expected to follow the school rules in their conduct whilst using the internet and publishing materials online.

To support this, they are expected to keep their passwords secure and only share them with their parents as inappropriate behaviour via their log-in may be tracked to them.

Equality Duties

This policy will be applied in a consistent, non-discriminatory fashion to ensure it meets the requirements of the Equality Act.

Monitoring of policy

This policy will be monitored by the Headteacher and his senior leadership team to ensure it is robust in ensuring the smooth day-to-day running of the school and it supports minimal disruption to lessons.

The Headteacher will report on the operation of this policy to the Full Governing Body on a yearly basis and when reviewed.
