I would like to personally thank our Hazlewood Team for their dedication and determination to re-open our school as quickly and as safely as possible. They are a real credit to our school community. What a wonderful team!

I would like to congratulate our wonderful pupils who have shown remarkable character and resilience over the past few weeks. The children who returned on Tuesday have adapted to their new learning environment brilliantly.

We are looking forward to welcoming our Year 3, Year 4 & Year 5 children on Monday with open arms.

I am extremely proud and humbled of how our school community has pulled together to support one another during this challenging time.

'No matter how tough times get, we are sending a clear message to our children that for every problem there is a positive solution, especially when we work as a team.

Thank you once again for your support.

Wishing you all a relaxing weekend!
