**Congratulations to Year 5 for graduating as mental health champions. All the children took part in 10 hours of training to achieve this status. They have already got to work by supporting some of the classes with reading stories around mental health themes. Watch this space, as they have lots of ideas as to how support the mental health of everyone in our school community.**

Year 3 had a wonderful day at Segedunum Roman Fort in Wallsend. We had a fantastic time exploring the grounds of the remains along with the museum full of interesting artefacts. We all participated in an interactive workshop where our adults dressed up in very heavy armour and uncomfortable clothing. Our favourite part was being able to reenact a battle using shields and spears. Overall, it was an amazing experience and allowed us to immerse ourselves in life in the Roman Fort.
