Spring Term 2025

Issue 14

We hope you all enjoyed the Christmas holiday and are ready to face the new year. We are well rested and looking forward to visiting the 102 schools who are booked in with us this term, and meeting year 6 students from a further 51 schools at Safety-Works!

Our team is in huge demand with limited availability left for the rest of this academic year. Do get in touch to find out if we can squeeze you in! All we need to know is how many sessions you'll need (based on each session being one hour long for up to a maximum of 30 students). Feedback from schools visited so far has been great, including:

<p>Upper KS2 The Internet and Us</p> <p>"The session and delivery was fantastic... the best online safety session for children that we've done. The children responded brilliantly and asked lots of questions."</p> <p><i>Newcastle school</i></p> <hr/> <p>"A well put together presentation which was relevant and up to date."</p> <p><i>Gateshead school</i></p> <p>"An excellent workshop delivered in an engaging way and delivered an important message. Thank you."</p> <p><i>Sunderland school</i></p>	<p>Upper KS2 Knife Crime</p> <p>"Thank you... The children were engaged and the content was age appropriate and informative. Children have been able to remember key information and we believe the sessions have had a positive impact on the children. We look forward to working with your team in the future."</p> <p><i>Northumberland school</i></p> <hr/> <p>"Brilliantly delivered, engaging and children were extremely interested."</p> <p><i>South Tyneside school</i></p> <p>"Another fantastic session."</p> <p><i>Northumberland school</i></p>	<p>Upper KS2 Anti-Social Behaviour</p> <p>"It was an excellent session. My class got a lot out of it."</p> <p><i>Northumberland school</i></p> <hr/> <p>"Excellent session delivered by a highly skilled professional."</p> <p><i>North Tyneside school</i></p> <hr/> <p>Upper KS2 Drugs</p> <p>"Great presentation pitched at the correct level. Thanks."</p> <p><i>Sunderland school</i></p> <hr/> <p>KS5 County Lines</p> <p>"Very informative with students engaging."</p>

Pol-Ed is a new PSHE resource that is available FREE to all schools in the Northumbria Police area

The Community Safeguarding Partnerships have been briefed and they will be supporting the implementation across the Force area

55% of our area's education providers have signed up with 35,970 students taking part in 1199 lessons, and a further 53,820 taking part in 207 assemblies so far this academic year. Be part of it!

Safer Internet Day 2025 February 11th

We know how important it is to give children the tools to keep themselves safe online. Our two internet safety-related sessions are very popular with schools. We offer "The Internet and Us" (Y5/6), and "Sharing Images" (Y7+)

Find relevant lessons and assemblies you can use in school for all key stages on Pol-Ed (see left to register)

...and more at:
